Dear Ms. Le,

Please amend this case as follows:

We recently received a Notice of Non-Compliant Amendment to our amendment document filed on 12/11/04 because each claim was not provided with the appropriate "status identifier." To rectify the omission please find enclosed an amended Claim List which we hope is in accordance with the requirements of 37 CFR 1.121.

We would like to draw attention to the fact that this application has been at the PTO for almost four years, even though it was awarded Special Handling because of the age of the applicant (87). Please let us know if there is anything we can do to remedy this obvious injustice.

Very truly yours,

William Rouverol
